

12th Annual
CSDC Charter School Leadership Institute
Statement of Intent to Participate

Please review and sign the commitment statements below:

- I have read all of the information and have completed the online application.
- I understand that the CSDC Leadership Institute provides six days of highly intensive training for charter school leaders. If selected to attend, I agree to actively participate in *all* workshops, team meetings, and activities during *all* of the Institute's six scheduled days and evenings.
- I understand that this is an interactive Institute, and I will contribute my experiences, constructively share my concerns, and respectfully listen to and learn from others.
- I understand that the course outlines and materials provided by CSDC and outside presenters are proprietary materials and are licensed for the exclusive use of the registered participants. I agree not to copy, circulate, or in any way transmit the information contained in the course outlines and materials to other persons or entities without advance, written permission of CSDC.
- I understand that CSDC may terminate the participation of participants if, in the sole judgment of CSDC, participants are not constructively and successfully participating and/or completing the required work at a pace that would enable the participant to complete the program requirements. If terminated, any refund of amounts paid is entirely at the discretion of CSDC.
